

Carey Stavrevski **Manager, Government Services**

Carey Stavrevski brings eight years of experience to CHM's Government Services group, and is focused on devising effective business solutions for complex challenges faced by a wide variety of public sector clients owning hospitality and recreation assets. In this capacity, Ms. Stavrevski has served such public sector clients as the National Park Service, the U.S. Forest Service and the Department of Defense, as well as worked with several U.S. and international convention and visitor bureaus and other tourism-related organizations. Prior to joining CHM, Ms. Stavrevski worked for a major international consulting firm in the government practice and was a Budget Analyst for a large County Budget and Management office, responsible for managing a \$45 million budget across several county agencies, including Parks and Recreation.
