

Christopher Hague **Senior Associate**

Christopher Hague brings five years of hotel operational analysis and asset management experience to CHM. As Senior Associate, Mr. Hague is responsible for contract compliance, asset valuation, and development and implementation of operational efficiency initiatives. Mr. Hague specializes in developing analytical tools and leveraging technological resources to monitor and evaluate strategic initiatives within CHM's portfolio. He supervises all aspects of internal and external client reporting, including data management, report development and production. Mr. Hague is actively involved in technology-based company initiatives, including owner/property communication enhancement and custom database development. Mr. Hague is an active member of Hospitality Financial and Technology Professionals (HFTP), serving as the current President of the New England Chapter.
